# GAS

Chilton Co., Publishers, 198 So. Alvarado Street, Los Angeles 57, California

# INDEX TO VOLUME XXXV

## January Through December 1959

### AUTHORS

Adams, Truel E.—Reducing unaccounted-for gas by a leakage control and corrosion prevention program ..... March 72

Anderson, D. C.—Quigley station: A Pacific Lighting Approach to remote control. Part 1: Southern California's facilities ..... Nov. 57

Anuskiewicz, M., Jr.—Spanning the Narrows... Nov. 114

Atkinson, D. O. and Paul B. Crawford—Universal pressure distribution in gas pipelines.. July 111

Beggs, Charles W.—Corrosion prevention cooperation ..... Aug. 58

Bell, Robert W.—A guide to training servicemen. 5. Gas incinerators—and people..... Sept. 67

Bockstege, H. H., Jr. and W. M. King, Jr.—Basic elements of data processing and comparisons of paper work handling methods..... June 68

Bockstege, H. H., Jr. and W. M. King, Jr.—Evaluating company needs for electronic data processing ..... July 67

Brady, T. E.—Cathodic protection requirements of plastic coated pipe ..... June 65

Caldwell, Bruce J.—Evolution of the Vortex-Velocity gas meter ..... April 124

Carter, James, Jr.—Water supply for Pacific Northwest Pipeline system ..... Feb. 103

Clark, H. L.—Quigley station: A Pacific Lighting approach to remote control. Part 2: PLGS' facilities ..... Nov. 103

Clark, William W.—Informed supervisors vital to accident prevention ..... Jan. 57

Conkling, Roger L.—Gas producer regulation and the gas distributor ..... June 61

Cook, Richard G.—Predicting delivery rates from underground storage projects ..... Feb. 59

Copper, Clyde C.—Measuring wet high pressure gas ..... Sept. 117

Corfield, Guy—"Decorative" gas finds more outlets ..... June 84

Crawford, Paul B. and D. O. Atkinson—Universal pressure distribution in gas pipelines.. July 111

Crooks, W. R.—Evolution in gas engine turbocharging ..... Feb. 108

Deutsch, Irving—Advanced technology applied to leak detection ..... Dec. 66

Dignan, Patrick D.—Market research sells gas... Jan. 55

Dorsey, J. S. and C. E. Lee—Coating steel pipe for gas service ..... March 129

Ebdon, J. Fred—Gas measurement thoughts to ponder ..... Nov. 118

Ebdon, J. Fred—How engineering and research spur product development ..... Dec. 74

Ebdon, J. Fred—Measurement—but not necessarily gas ..... Aug. 56

Ebdon, J. Fred—New station expands East Ohio's Chippewa storage field ..... Feb. 116

Ebdon, J. Fred, and Neil Regeimbal—Pauvre, pauvre Memphis—it's dead ..... Jan. 39

Ebdon, J. Fred—Pipeline to sunshine ..... May 53, 109

Ebdon, J. Fred—The elastic cubic foot ..... Jan. 87

Ebdon, J. Fred and William T. Harper—Today at the AGA ..... Oct. 77

Ebdon, J. Fred—Want to move those meters outdoors? Temperature compensating meters may be the answer ..... May 61

Ellis, J. H. N. and T. C. McLean—Montebello: Gas storage under a metropolitan area..... June 123

Erickson, C. A.—Designing for minimum cathodic protection interference ..... March 70

Foote, H. C.—A guide to training servicemen: 2. Conducting a comprehensive service training program ..... June 76

Fraade, D. J.—Stream analyzers—A continuous approach to improving control
Part 1 ..... June 73
Part 2 ..... July 74

Fuller, Maurice E.—Surveying pipeline routes by radar ..... July 118

Haas, R. H. and G. C. Miller—A guide to training servicemen. 4: Central heating equipment ..... Aug. 66

Harper, William T.—Design and installation of standardized regulator vaults ..... Sept. 59

Harper, William T. and J. Fred Ebdon—Today at the AGA ..... Oct. 77

## DISTRIBUTION

Advanced technology applied to leak detection —by Irving Deutsch ..... Dec. 66
Cathodic protection requirements of plastic coated pipe—by T. E. Brady ..... June 65
Cincinnati goes underground with LPG — by William J. Schreiner ..... Dec. 53
Coating steel pipe for gas service—by J. S. Dorsey and C. E. Lee ..... March 129
Cooperation plus know-how equal successful corrosion mitigation—by David P. Price ..... March 64
Corrosion Prevention and Plastics Pipe Issue ..... March
Cooperation plus know-how equal successful corrosion mitigation—by David P. Price ..... 64
Designing for minimum cathodic protection interference—by C. A. Erickson ..... 70
Reducing unaccounted-for gas by a leakage control and corrosion prevention program—by Truel E. Adams ..... 72
Plastics pipe looks to biggest year—by Don Wright 75
Use of plastics pipe in a rural distribution system by James V. King ..... 78
Service renewal by plastics insertion—by James L. Higday ..... 83
Coating steel pipe for gas service—by J. S. Dorsey and C. E. Lee ..... 129
Corrosion prevention cooperation—by Charles W. Beggs ..... Aug. 58
Cost reduction through consolidation of meter maintenance—by G. R. Rose and D. R. Stoneburner ..... Dec. 61
Design and installation of standardized regulator vaults—William T. Harper ..... Sept. 59
Designing for minimum cathodic protection interference—by C. A. Erickson ..... March 70
Developing and installing a construction analysis program—John L. McCollum ..... Sept. 62
Engineering a 26-in. crossing on Carquinez straits—by W. E. Ross ..... Feb. 53
How digital computer solves gas engineering problems—by Henry J. McCain, Jr. ..... April 65
Hydraulic crane and 5-wheel truck cut operating costs ..... Sept. 86
Installing and testing recording calorimeters—by S. M. Keehn ..... July 122
Locating leaks on new main construction—by J. G. Sweeney ..... April 75
Locating nonmetallic pipe—George M. MacLeod .. Nov. 73
"Master planning" a distribution system—by T. H. Rennell, Jr. ..... Feb. 68
New gas repair 'package' demonstrated ..... July 82
New station expands East Ohio's Chippewa storage field—by J. Fred Ebdon ..... Feb. 116
Overcoming coordinating problems in a radio system—by O. H. Johnson ..... April 68
Pitot tube, The—by H. T. Libby ..... Dec. 109
Plastics pipe looks to biggest year—by Don Wright ..... March 75
Predicting delivery rates from underground storage projects—by Richard G. Cook ..... Feb. 59
Production line methods applied to meter changes—by James Webb ..... July 63

Quigley Station: A Pacific Lighting approach to remote control
Part 1. Southern California's facilities—by D. C. Anderson ..... Nov. 57
Part 2. PLGS' facilities—by H. L. Clark .... Nov. 103
Reducing unaccounted-for gas by a leakage control and corrosion prevention program—by Truel E. Adams ..... March 72
Regional pipeline planning ..... Sept. 78
Remote control of a small booster station—by P. A. Ray ..... Aug. 47
Service renewal by plastics insertion—by James L. Higday ..... March 83
Spanning the Narrows—M. Anuskiewicz Jr.... Nov. 114
Stream analyzers—A continuous approach to improving control—by D. J. Fraade
Part 1 ..... June 73
Part 2 ..... July 74
Tape wrapping pipe fittings ..... April 72
Telemetering in northern Ontario—by E. E. Bagley ..... May 76
Use of plastics pipe in a rural distribution system—by James V. King ..... March 78
Want to move those meters outdoors? Temperature compensating meters may be the answer—by J. Fred Ebdon ..... May 61
Welders go back to school ..... Sept. 82

## EDITORIAL COMMENT

### Communications, edited by Frank Chapman

AT&T complying with FCC ruling ..... April 140
Hiding our heads in a basket—by F. Vinton Long ..... Feb. 131
"I want a big meter so I can read the chart" (Long) ..... Oct. 169
The Iron Curtain (Long) ..... Aug. 137
Klystron tube puts in 62,000 hours ..... June 137
New dual-beam microwave system ..... May 147
New method of pipeline communications (Long) ..... March 140
A new self-activating radio alarm (Long)..... Sept. 140
New tower tested ..... May 147
Redundancy in communication (Long) ..... July 144
Semi-flexible transmission lines for 6000 mc and above (Long) ..... Nov. 126
Twenty-plus transistors used in new two-way mobile radio ..... Jan. 117
Wanted: Inventions (Long) ..... Dec. 131

### Corrosion Prevention, edited by Marshall Parker

Florida corrosion conference and short course.... Jan. 18
More snares and pitfalls ..... Sept. 19
*The natural gas pipeline from Texas to Florida—by Joseph Frink ..... Jan. 18
*NACE abstract
Pipe-to-soil potential ..... Oct. 23, Nov. 19, Dec. 19
Prediction of leak rates, Part 3 ..... March 31
Part 4 ..... April 19
Part 5 ..... May 19
Remote electrode, the ..... July 23
Some handy things to have along ..... Feb. 19
Traps and pitfalls for the corrosion engineer.... Aug. 19
When to plan cathodic protection ..... June 23

### Regulatory and Legislative Trends

CATCO, celebrated case ..... Sept. 11
Current rate-making concepts ..... July 11
FPC and Federal taxes ..... Oct. 11
Fossil fuels fight fiercely ..... June 11
Gas transport can win FPC approval ..... Nov. 11
Inflation forces utility rates up ..... March 11
Midwest muddle again ..... Jan. 11
New pipeline to California ..... Dec. 11
Penalty for poor service ..... April 11
Plastics piping progress ..... May 11
Regulatory progress ..... Aug. 11
Supreme Court be praised ..... Feb. 11

### Technical Trends, by Guy Corfield

Aluminized plastisol fuel ..... Oct. 15
Beneficient bacteria ..... Oct. 15
Btu meters show heat pick-up or loss ..... July 15
California offshore drilling ..... Jan. 15
Controlled explosions put to work ..... April 15
Cooling or heating by thermo-electricity ..... Feb. 15
Foams for structural and insulating purposes.... June 15
Free radicals ..... Jan. 15
Gasoline bricks ..... Dec. 15
G-E consolidates its lamp research ..... May 15
Heat and temperature ..... Aug. 15
How cold is the wind? ..... July 15
Infra-red detects offshore gas seepage ..... May 15
In-situ combustion for oil recovery ..... March 27
Low melting-point glasses ..... Oct. 15
Magnifying time and dividing motion ..... Nov. 15
Measurement of thickness ..... Jan. 15
Molecular sieves ..... Sept. 15
More on the Discomfort Index ..... Nov. 15
The next five to fifteen years ..... Sept. 15
Nuclear process heat ..... July 15
Plasma thermocouple ..... March 27
Problem of finding out where we have been ..... June 15
Super-performance heat insulation ..... June 15
Thermionic converter ..... Feb. 15
Ultrasonic welding ..... April 15
What is the prospect for civilian nuclear power?.. May 15
Wide uses reported for gas chromatography ..... Dec. 15

### Washington, by Neil Regeimbal

Area pricing facing showdown ..... Sept. 17
Canadian board may go for gas transport ..... Nov. 17
Coal men plan new invasion ..... Aug. 17
Congress settles down to 2-year session ..... Feb. 17
Court action instead of legislation ..... March 29
Depletion allowance safe for another year .... April 17
"Every man for himself" in election year ..... Oct. 21
FPC turns on the steam ..... Feb. 141
Gas bill needs more than Seaton's support ..... Dec. 17
Gas bills pouring into hopper ..... May 17
National Grange fights relocation payments.... Jan. 122
Phillips case re-enters orbit ..... June 21
Quiet pessimism replaces optimism ..... Jan. 17
Trans-Canada refiles for export permit ..... July 21

## GENERAL ARTICLES

AGA reports on industry construction ..... Nov. 71
Arkansas-Louisiana story—by Don Wright ..... Jan. 41
Art of gas making, piping has progressed greatly in century ..... Feb. 75
Elastic cubic foot, the—by J. Fred Ebdon..... Jan. 87
Gas budgets hit $2.2 billion ..... April 49
Gas measurement thoughts to ponder—by J. Fred Ebdon ..... Nov. 118
How engineering and research spur product development—by J. Fred Ebdon ..... Dec. 74
Measurement—but not necessarily gas—by J. Fred Ebdon ..... Aug. 56
Pauvre, pauvre Memphis—It's dead—by J. Fred Ebdon and Neil Regeimbal ..... Jan. 39
Pipeline to sunshine—by J. Fred Ebdon ....May 53, 109
Sales hit $4.5 billion in '58—by J. Theodore Wolfe ..... Feb. 64
Today at the AGA—J. Fred Ebdon and William T. Harper ..... Oct. 77
Visual presentations highlight convention ..... Oct. 109

## MANAGEMENT

Arkansas-Louisiana story—by Don Wright ..... Jan. 41
Basic elements of data processing and comparisons of paperwork handling methods—by H. H. Bockstege, Jr., and W. M. King, Jr. ..... June 68
Corrosion prevention cooperation—by Charles W. Beggs ..... Aug. 58
Developing and installing a construction analysis program—John L. McCollum ..... Sept. 62
Economics in pipeline engineering—Frank V. Whitney ..... Sept. 123
Evaluating company needs for electronic data processing—by H. H. Bockstege, Jr., and W. M. King, Jr. ..... July 67
Gas producer regulation and the gas distributor —by Roger L. Conkling ..... June 61
Informed supervisors vital to accident prevention—by William W. Clark ..... Jan. 57
Market research sells gas—by Patrick D. Dignan ..... Jan. 55
Operating the small but growing utility—Lee E. Schlessman and Homer S. Lanning ..... Sept. 70
Pipeline to Sunshine—by J. Fred Ebdon ....May 53, 109

Regional pipeline planning ..... Sept. 78
"Where do we go from here?"—by R. E. Maguire ..... Aug. 70

## NEWS DEVELOPMENTS

American Natural seeks 201 MMcf gas supply... June 142
Appliance makers up '59 sales predictions..... Oct. 116
Appliance observation program launched ..... April 80
Balance tipped against Transco-Con Ed transportation service ..... April 142
Bryant unveils air conditioner ..... May 104
Colorado coal mine tested for storage ..... July 84
Colorado Interstate files $91 million Utah project ..... Jan. 103
FPC ends Panhandle sales to Michigan Consolidated ..... Feb. 128
FPC must guard against excessive rates ..... Aug. 144
Fourth out-of-state supply to southern California ..... Jan. 103
Gas consumers to hit 43.7 million by 1970 ..... Oct. 114
Gas for space heating sweeping Midwest ..... Aug. 75
Gas heat customers up 6 per cent in '58 ..... July 84
Gas reserves climb to record 254 trillion cu ft ... May 159
Major expansion planned by Northern Natural ..... March 144
Michigan, Midwestern sign Canadian gas pact... May 144
New applications follow Midwestern-TGT denial ..... Jan. 107
New concept developed in gas turbine field..... Oct. 183
Northern's new Midwest plan gets FPC hearing. June 144
Ohio Fuel expanding underground storage ..... June 91
Ohio Valley takes over from Manufacturers Light ..... Feb. 95
Oral arguments under way on Transwestern ... Aug. 142
PG&E plans second underground storage area... Feb. 92
Pakistan may export gas ..... July 132
Peoples Gas seeks air conditioning market ..... May 98
Phillips gets $14 million per year rate increase.. May 141
Pipelines bought 6.5 trillion cu ft in 1957..... Jan. 103
Producers filed 1939 rate increases in '58 .... March 146
Producer troubles blamed on depressed gas prices ..... April 78
Public utility financing set new high in '58 .... March 98
Rayne approval adds huge reserves to TET system ..... Aug. 142
Texas legislature gets utilities commission bill ..... April 78
13-year wait nears end for NI-Gas customers.... Sept. 90
Transwestern approved; price-conscious FPC imposes conditions ..... Sept. 148
Underground storage capacity keeps growing... July 132
U. S. homemakers using 102 million gas appliances ..... March 98
Will Administration support new gas bill? ..... Feb. 124

## SALES, SERVICE, UTILIZATION

Appliance makers up '59 sales predictions ..... Oct. 116
Appliance observation program launched ..... April 80
Bryant unveils air conditioner ..... May 104
"Decorative" gas finds more outlets—by Guy Corfield ..... June 84
GAMA sees 9.1 per cent gain in appliance shipments ..... Feb. 66
Gas consumers to hit 43.7 million by 1970 ..... Oct. 114
Gas dehumidifies Army storage cave—by Ralph Smith ..... Feb. 71
Gas for spaceheating sweeping Midwest ..... Aug. 75
Gas heat customers up 6 per cent in '58 ..... July 84
Guide to Training servicemen
1. Gas ranges and basic electricity—by R. D. Montgomery ..... May 68
2. Conducting a comprehensive service training program—by H. C. Foote ..... June 76
3. Gas air conditioners—by J. A. Hayes ..... July 78
4. Central heating equipment—by R. H. Haas and G. C. Miller ..... Aug. 66
5. Gas incinerators—and people—Robert W. Bell ..... Sept. 67
6. How to deal with absorption refrigeration —by G. R. Thompson ..... Dec. 79
Heating an 'unheatable' building ..... July 71
Market research sells gas—by Patrick D. Dignan. Jan. 55
New radiant heater developed ..... Nov. 69
Peoples Gas seeks air conditioning market ..... May 98
Sales hit $4.5 billion in '58—by J. Theodore Wolfe ..... Feb. 64
U. S. homemakers using 102 million gas appliances ..... March 98

## TRANSMISSION

Building an extra high pressure line in Mexico —by F. Vinton Long ..... Aug. 130
Cable tool drilling can be safe, too—by Dennis L. Newberry ..... Jan. 91
Coating steel pipe for gas service—by J. S. Dorsey and C. E. Lee ..... March 129
Conquering sharp ridges and river bottom mud.. May 132
Corrosion Prevention and Plastics Pipe Issue ..... March
How Westcoast prefilmed sour gas lines—by James Joseph ..... 125
Coating steel pipe for gas service—by J. S. Dorsey and C. E. Lee ..... 129
Economics in pipeline engineering—Frank V. Whitney ..... Sept. 123
Elastic cubic foot, the—by J. Fred Ebdon ..... Jan. 87
Engineering a 26-in. crossing on Carquinez straits—by W. E. Ross ..... Feb. 53
Evolution in gas engine turbocharging—by W. R. Crooks ..... Feb. 108
Evolution of the Vortex-Velocity gas meter— by Bruce J. Caldwell ..... April 124
Gas measurement thoughts to ponder—J. Fred Ebdon ..... Nov. 118
How Westcoast prefilmed sour gas lines—by James Joseph ..... March 125
Hugoton field deliverability project—F. A. Langenfeld ..... Oct. 145
Installing and testing recording calorimeters— by S. M. Keehn ..... July 122
Measuring wet high pressure gas—by Clyde C. Copper ..... Sept. 117
Montebello: Gas storage under a metropolitan area—by J. H. N. Ellis and T. C. McLean .... June 123
New gas processing plant boosts western Canada's economy—George E. Toles ..... Sept. 119
New station expands East Ohio's Chippewa storage field—by J. Fred Ebdon ..... Feb. 116
Oakford: Maintaining the balance between supply and demand—by John W. Hart ..... June 117
Operation Stopple ..... Sept. 131
Pipeline flow tests evaluate cleaning and internal coating—by C. H. Klohn ..... Aug. 111
Pitot tube, The—by H. T. Libby ..... Dec. 109
Predicting delivery rates from underground storage projects—by Richard G. Cook ..... Feb. 59
Preventive maintenance on pipelines, gathering systems—by Howard Hellon, Keno Henderson, and K. W. Richardson .... ..... Jan. 94
Quigley Station: A Pacific Lighting approach to remote control
Part 1. Southern California's facilities—by D. C. Anderson ..... Nov. 57
Part 2. PLGS' facilities—by H. L. Clark .... Nov. 103
Remote control of a small booster station— by P. A. Ray ..... Aug. 47
Report on the AGA automation and telecontrol symposium—by F. Vinton Long ..... Oct. 154
Rocket power—a new pipeline tool—by James Joseph ..... Oct. 151
Rubber sphere removes loose debris from line— by R. O. King ..... July 127
Seeding pipeline R-O-W by helicopter ..... Feb. 122
Seismic analysis helps cut ditching costs ..... Dec. 126
Some suggestions for specifications for pipeline construction—by H. M. McCamish ..... Dec. 117
Spanning the Narrows—by M. Anuskiewicz Jr... Nov. 114
Step toward automation—by Kenneth C. Yost... April 117
Stream analyzers—A continuous approach to improving control—by D. J. Fraade
Part 1 ..... June 73
Part 2 ..... July 74
Surveying pipeline routes by radar—by Maurice E. Fuller ..... July 118
Transco goes under the Hudson again ..... Jan. 102
True mass flowmeter measures fluids directly in pounds ..... June 82
Universal pressure distribution in gas pipelines—by D. O. Atkinson and Paul B. Crawford ..... July 111
Water supply for Pacific Northwest Pipeline system—by James Carter, Jr. ..... Feb. 103
